

- I have been thoroughly informed concerning the studies „PROVABES-PROspective Validation of Biomarkers in Ewing Sarcoma” and “EEC-European Ewing Consortium”. The planned analyses and necessary extractions of blood and bone marrow, as well as tumour removal have been explained to me.
- I have read and understood the information form. All of my questions were sufficiently answered by my contact persons.
- I consent that data collected in the context of these studies is used in a pseudonymous way for analyses. Material from tumour, blood and bone marrow shall be examined for genetic and epigenetic changes. If necessary, data will be transferred to appropriate authorities. I understand that legally my data must be accessible to appropriate authorities. The appropriate authorities are: N.N.
- Furthermore for study verification purposes, I consent that an authorized person who is bound by confidentiality is granted access to my data.
- As the studies take place in several countries, I consent that for verification reasons my data will be transferred in a pseudonymous way to foreign appropriate authorities, and that a foreign authorized person who is bound by confidentiality is granted access to my data.
- I consent to the transfer of biomaterial to the following scientists and laboratories:
  - Professorin Uta Dirksen | Universitätsklinikum Münster |Pädiatrische Hämatologie und Onkologie | Albert-Schweitzer-Campus 1 A1 |48149 Münster
  - Professor Heinrich Kovar | St. Anna Kinderkrebsforschung e.V. | Zimmermannplatz 10 | 1090 Wien | Österreich
  - Professor Olivier Delattre| Institut Curie|26 rue d`Ulm | 75248 Paris Cedex 05| Frankreich
  - PhD Katja Scotlandi und Professor Piero Picci | Istituto Ortopedico Rizzoli | Via di Barbiano 1/10| 40136 Bologna| Italien
  - Professor Enrique de Alava | Hospital Universitario Virgen del Roío | Avda. Manuel Siurot s/n | 41013 Sevilla | Spanien
  - Professor Stefan Burdach | Technische Universität München | Kinderklinik München Schwabing | Kölner Platz 1 | 80804 München
  - Professorin Sue Ann Burchill | Children`s Cancer Research Group, University of Leeds | LS97TF Leeds | UK
  - Professor Markus Metzler | Universitätsklinikum Erlangen | Kinder- und Jugendklinik,

# Informed

Abteilung Onkologie und Hämatologie | Loschgestraße 15 | 91054  
Erlangen

- I would like to have the following questions resolved:

---

---

---

---

Yes, I consent to participating in these studies. My participation is voluntary and free of charge. I understand that I am free to withdraw my consent at anytime. My/our decision is not disadvantageous to me or my child.

No, I do not want to participate in these studies. My/our decision is not disadvantageous to me or my child.
