

CURRICULUM VITAE

Erez Raz

Education Background:

1994-1997 Postdoctoral training. Massachusetts General Hospital, Harvard Medical School, MA USA (Advisor W. Driever) – zebrafish Genetics and Developmental Biology

1989-1993 Ph.D. The Weizmann Institute of Science, Israel. Molecular Genetics and Virology (Advisor B. Shilo) – *Drosophila* Developmental Biology

Employment:

2007- present Professor (W3) – Director, Institute of Cell Biology, ZMBE, Münster, Germany

2003-2007 Group leader (C3)– Max-Planck-Institute for Biophysical Chemistry, Germ Cell Development, Göttingen, Germany

2001-2002 Group leader (C2)– Max-Planck-Institute for Biophysical Chemistry, Germ Cell Development, Göttingen, Germany

1998- 2000 Group Leader (C1)- University of Freiburg, Department of Developmental Biology, Freiburg, Germany

Professional Service:

2003-present Member, Faculty of 1000

2005-present, Editorial board, BMC Developmental Biology,

-Present, Reviewing manuscripts for the Journals- *Cell*, *Current Biology*, *Development*, *Developmental Biology*, *Developmental Cell*, *EMBO reports*, *Journal of Cell Science*, *Mechanisms of Development*, *Nature*, *Nature Cell Biology*, *PNAS USA*.

2007, 2008, 2009, 2011, 2012, 2013, 2014 – Selection committee for Independent Group Leaders at the Max-Planck-Institute.

2008-present, Editorial board, *Development*

2011- European Research Council referees peer review evaluator

Awards:

- | | |
|------|---|
| 2007 | Max-Planck-Fellow at the Max-Planck-Institute for Molecular Biomedicine, Münster, Germany |
| 2010 | Elected EMBO member |
| 2010 | ERC: European Research Council advanced grant |
| 2012 | Member of the Max Planck Society |
